

MAKING SENSE OF MENTAL HEALTH PROBLEMS (OPEN UNIVERSITY) LEVEL 1

COURSE OVERVIEW

Over the past century there has been a radical shift in responses to people who experience mental health problems. In this free e-learning course, Making sense of mental health problems, you will learn about how key perspectives in the field have made sense of mental health problems. By directly relating key perspectives to a case study, you will reflect on how the medical perspective, psychological perspective and social need perspective come to make sense of mental ill-health.

WHO IS THE COURSE FOR?

Anyone wanting to describe key theories and concepts that have informed debates about mental health diagnosis.

DURATION & COST

This course is self-paced and lasts approximately 10 hours. Learners can stop and leave at their convenience.

This course is free to access for 30 days upon registration.
