School Games at the Alexander Stadium

We couldn't resist sharing more pictures from the fantastic School Games legacy event held last month at the Alexander Stadium.

Check out some of the event feedback from schools involved:

"Our children loved everything and just wished they could have stayed even longer!! I would love more of our pupils to be able to experience events at our amazing venues. The pupils in our school rarely leave the Small Heath area and so to experience this in Birmingham is inspiring. Thank you so much"

"Inspiring and amazing event from start to finish! Children absolutely loved it. They got so much from it. Great post celebration of the CWG. We particularly enjoyed the Drumba session and basketball wheelchair! To attend one of these events or something similar again would be fantastic."

Thank you to all the volunteers, staff, providers and participating schools for making it such an awesome event!

Help shape the future of major events in Birmingham!

We are supporting the University of Birmingham on a research project, Major Events Legacies – Getting the Communities Ready for the Next Major Event, and we'd love the sport and physical activity community to be involved!

The survey is open to anyone who lives in Birmingham whether you've attended a major event in the city or not. Simply click [here](#) to access the survey.

By completing the survey, you are in with a chance of winning a £50 shopping voucher or a behind-the-scenes tour of the World Trampoline Championship this November 2023. If you have any questions about the research, please feel free to contact the Lead Researcher Dr Liang x.liang@bham.ac.uk

Thank you for your time and support!

IN PARTNERSHIP WITH
RALEIGH

The government is inviting community organisations to bid for funding for an automated external defibrillator (AED) for their area.

Funding will provide an estimated 1000 new defibrillators in community spaces across England. Organisations across England are being invited to bid for a share of £1 million of government funding to buy life-saving defibrillators for community spaces like town halls, local parks or post offices. Professor Sir Stephen Powis, National Medical Director for NHS England said:

"When someone goes into cardiac arrest it's crucial that they are given effective CPR and quick defibrillation to restart their heart."

Try inclusive sports at the British Blind Sport Activation Zone at this year's IBSA World Games in Birmingham

British Blind Sport (BBS) is delighted to announce that we will be hosting an Activation Zone at the IBSA World Games which is taking place from 17th-27th August. The Activation Zone will be running across the middle of this international event, from 21st-25th August, offering participants free taster sports sessions in partnership with NGBs.

The Activation Zone will be open Monday to Friday 11am to 2pm at Chancellor's Court, University of Birmingham, B15 2TT. The event will feature a fantastic line-up of sporting activity taster sessions for blind and partially sighted people of all ages and abilities to participate in and learn more about the opportunities available to them in their local areas. In addition, family and friends along with any spectators of the Games, can join in the fun to learn and appreciate how sport is adapted for people with sight loss. Confirmed activities include judo, tennis, blind football, goalball, archery and more.
